

Regulations for the use of the camper van site at the Osteland-Festhaus in the municipality of Osten

I would like to welcome you to our motorhome site in the municipality of Osten.

This motorhome site has 8 parking spaces. By parking your motorhome, you accept the following terms of use:

No pitch reservations will be made.

Please park your motorhome on the paved parking lot and not on the green areas.

Please pay the usage fee of € 10.00 per night (incl. water, electricity and use of the public toilet) preferably by Paypal or bank transfer (see separate information sheet). If you do not have this option, you can pay your fee during business hours at Möbelhaus Toborg, Schützenstraße 6, 21756 Osten, Tel. 04771 - 8888333. Alternatively, you can put your fee in an envelope in the mailbox of the furniture store (stating your license plate number).

The municipality of Osten is entitled to inspect the personal details of the users of the motorhome parking space and to record the vehicle's registration number.

The operator is entitled, in exercising his domiciliary rights, to expel persons from the site if this appears necessary to maintain safety and order on the motorhome site and in the interests of the site guests.

You can dispose of your grey water and faeces in the waste water drainage shaft provided for this purpose in the parking lot.

Fresh water can be taken from the tap to the left of the toilet container.

Waste bins are available for waste.

Washing vehicles is not permitted on the motorhome site.

Dogs must be kept on a lead at all times. Dog walking is only permitted outside the motorhome pitch. Dog excrement must be removed immediately. Dogs that fall under the fighting dog regulations are not permitted.

The night's rest lasts from 22:00 to 7:00. The noise level must be reduced to a low level during this time. Out of consideration for other users of the motorhome site, all activities that cause noise should be avoided during this time.

Please note that the spaces around the trees pose certain risks due to falling leaves and branches; the municipality of Osten accepts no liability for this.

It is forbidden to carry out commercial activities such as sales activities and shows on the motorhome pitch.

Use is only permitted for motorhomes. Overnight stays in cars and camping is not permitted. The German road traffic regulations apply on the motorhome site and in the parking lot.

If our motorhome station is occupied, you will find other motorhome sites nearby in Oberndorf or Neuhaus.

Please leave the motorhome parking area clean!

Finally, I wish you a pleasant, relaxing and interesting stay with us in Osteland!

Carsten Hubert

Mayor of the municipality of Osten
